Edit settings  **Limit the Audience for Past Posts**

Limit The Audience for Old Posts on Your Profile

 If you use this tool, content on your profile you've shared with more than your friends (ex: Public posts) on your Wall will change to Friends. Remember: people who are tagged and their friends may see those posts as well.

You also have the option to individually change the audience of your posts. Just go to the post you want to change and choose a different audience.

Edit settings Blocked People and Apps

Block users

Once you block someone, that person can no longer be your friend on Facebook or interact with you (except within apps and games you both use and groups you are both a member of).

Name:

Email:

You haven't added anyone to your block list.

Block app invites

Once you block app invites from someone, you'll automatically ignore future app requests from that friend. To block invites from a specific friend, click the "Ignore All Invites From This Friend" link under your latest request.

Block invites from:

You haven't blocked invites from anyone.

Block event invites

Once you block event invites from someone, you'll automatically ignore future event requests from that friend.

Block invites from:
