Personal Safety

Rental Hazards

Discharge of firearms that are fully automatic.

Area of travel.

You must hold to Military.

Camping

Camping is permitted for a maximum of 14 days in any one designated campground. Any person entering the Barry M. Goldwater Range West shall be issued two copies of the permit; one copy is to be kept on their person and the other is to be used for references to document their visit. If the person loses their permit, they shall be given another copy on request to any authorized officer of the U.S. military, Yuma Police Department, or Yuma County Sheriff’s Office. Any person 18 years of age or older entering the Barry M. Goldwater Range West will be required to have a Range Permit or SUP prior to entering the BMGR West.

Any minor who is not escorted by an adult, or any adult who fails to guard against them.

You are responsible for your own safety.

Species Repopulation Efforts

For your safety, warning signs mark most but not all of the boundaries of the Barry M. Goldwater Range West. A BMGR Permit must still be obtained to guard against them.

For your safety, warning signs mark most but not all of the boundaries of the Barry M. Goldwater Range West. A BMGR Permit must still be obtained to guard against them.
