MCAS Yuma Mud Run Challenge

MARINE CORPS AIR STATION YUMA, Ariz. (May 1, 2019) – Marine Corps Air Station (MCAS) Yuma is scheduled to host the MCAS Yuma Mud Run Challenge on Saturday, May 18, 2019 from 6:30 AM to 12:30 PM.

The race course is approximately 3.8 miles in length and at various locations along the route, participants will be challenged with navigating several types of obstacles, to include a variety of mud pits. Participants receive a commemorative t-shirt and a medal as part of their registration. First, second and third place male and female finishers will receive prizes.

This event is meant to further strengthen the relationship between military personnel assigned to MCAS Yuma and the local community and to provide a safe and enjoyable race for all participants. This event is open to Marines, Sailors, family members, retirees, and the civilian community.

To register and for more information please visit www.yumafunruns.com.

Media interested in event coverage should email the MCAS Yuma Communication Strategy and Operations Office at mcasyuma_media@usmc.mil. Please include the name of organization and point of contact information.
