SAF/IEI
1665 Air Force Pentagon
Washington, DC 20330-1665

Dear Committee Chair,

Pursuant to Public Law 106-65 § 3031(b)(5)(A) the Secretary of the Air Force and the Secretary of the Navy provide the attached Barry M. Goldwater Range (BMGR) Integrated Natural Resource Management Plan (INRMP) Public Report. This report was prepared by the Department of the Air Force and the Department of the Navy in cooperation with the Department of the Interior, US Fish and Wildlife Service, the Cabeza Prieta National Wildlife Refuge, and the Arizona Game and Fish Department.

This report is part of an ongoing collaborative process to update the INRMP to meet the natural resource management goals. In September 2023, a draft version of this Public Report and the draft updated INRMP were released to the public and to state, local and tribal governments for review and comment. The public also was invited to several local open-house meetings for opportunities to ask questions about and comment on both documents. All comments received have been addressed in the final documents.

Questions regarding this report may be directed to Ms. Theresa Yarber, Office of the Assistant Secretary of the Air Force for Energy, Installations, and Environment at theresa.yarber.1.ctr@us.af.mil.

Sincerely,

ROBERT E. MORIARTY, P.E., SES
Deputy Assistant Secretary of the Air Force
