Important Notice

Tours are limited to 15 vehicles to protect sensitive resources. Guests entering the BMGR-W and those participating in guided tours must obtain a range permit. All persons over the age of 18 must obtain their own permit. A vehicle pass is not sufficient, and does not grant access to every passenger within the vehicle. Range permits can be obtained at bmgr.recaccess.com for free. Officers may check all participant's permits before the commencement of any tour, and turn away those found not in compliance.

Tours may be cancelled or terminated at any time at the discretion of the Officer conducting the tour.
